RBL Basketball – Summer 2020

register at RBLBasketball.com

For more information on RBL camps, leagues, and skill development programs (Grades K-10), visit us on the web at RBLBasketball.com or contact Richard/Blake Poritz (604-269-0221), seven days a week.

Note: RBL indicated fees are what you pay; taxes and all other charges are included.

Have fun and be challenged to improve your basketball skills with others your age. RBL Basketball programs feature experienced instructors in quality gyms with multiple baskets at grade appropriate heights. Many participants will be eligible to join RBL leagues in the Fall, Winter and Spring.

Skill Development sessions take place on Mondays – Fridays.

For each registration, participants choose two semi-private (2 or 3 person), 50 minute sessions. If you wish to share your session with a friend or friends, please indicate this when you register. After you register, we will telephone you so you can choose the days and times of your sessions.

Summertime usually means it's time for RBL Basketball summer camps, and this year we were prepared to run 28 camps. Then came COVID-19 and we had to adjust. We have put rules in place which we expect will keep RBL participants and staff safe, adhere to government guidelines, including social distancing, while at the same time providing students with a rewarding experience.

At any given time, we plan to restrict access to our gyms to a maximum of 12 youth plus four coaches and a gym supervisor, who will also be in charge of the facility. Initially, only semi-private (2 or 3 students with one coach) or private lessons will be offered and each coach and student will have a designated basket.

Boys and Girls entering the gym bring their own basketballs and sanitize their hands. *RBL will have balls for sale for \$20 for those needing to purchase one.* Everyone is requested to bring personal water bottles. Parents and other spectators will **not** be allowed access to the gym. Participants are advised not to attend class if they are feeling ill or have been exposed to the virus.
